

Namaste,

We are thrilled to extend a warm invitation to the upcoming GIST USA Meet, hosted by the Global Indian Scientists and Technocrats Forum (GIST). This dynamic event is scheduled for October 14th to 15th, 2023, at the picturesque Pine Lake Retreat, Orlando Florida.

For comprehensive details about GIST and its mission, please review the attached PDF document. The GIST USA Meet is a convergence of brilliant minds from the Indian diaspora worldwide. It offers a vibrant platform for scientists, technologists, researchers, and professionals to contribute to India's sustainable development.

As an esteemed invitee, your expertise positions you to make a significant impact on Bharat's development. Your active participation in the GIST USA Meet will grant you first-hand insights into GIST and its working models, opening doors to explore the numerous possibilities for engaging the S/T diaspora.

Please consider this letter as your official invitation to the GIST USA Meet. We eagerly wait your response and look forward to the privilege of hosting you in Florida.

For further event details and to confirm your attendance, please visit the registration link provided below:

Your presence at the GIST USA Meet will undoubtedly enrich the event and help shape the future of India.

We look forward to hearing from you soon.

Warm regards,

Dr. Yelloji-Rao Mirajkar
International Convener, GIST Forum (USA)
